

SCATTERGORIES - BRACHOT

Materials:

- Scattergories board (and sample board)
- Letters - Hebrew and English
- Pencil (not included)

			B	C
			cupcake	בורא ... מיני קוזנות
				בורא ... פרי העץ
			banana cauliflower	בורא ... פרי האדמה
			coca cola	שהכל ... נהיה בדברו

Directions:

1. Before playing, decide if the game will be played in Hebrew or English.
2. Place the Hebrew (or English) letters face down.
3. Each player gets and game board and pencil. One player turns over 2 letters. Each player writes those 2 letters on the first open square on the top of the game board (see example).
4. When the play begins, each player tries to fill in each column below the written letters with a food that matches the letters and bracha (Ex:: C and B – Adamah – cauliflower, banana, etc).
5. The game ends when all players fill in all four spaces under each bracha (or when the players determine they are done and can't think of other answers.)

SCORING: One point for each food that matches the bracha and the corresponding letters. The player with the highest score is the winner.

For the next round, pick to new letters, write them in the next space on the grid and begin again.
