

ISRAEL MANIA

Celebrate Yom Ha'atzmaut with this fun 16-challenge game!

Materials:

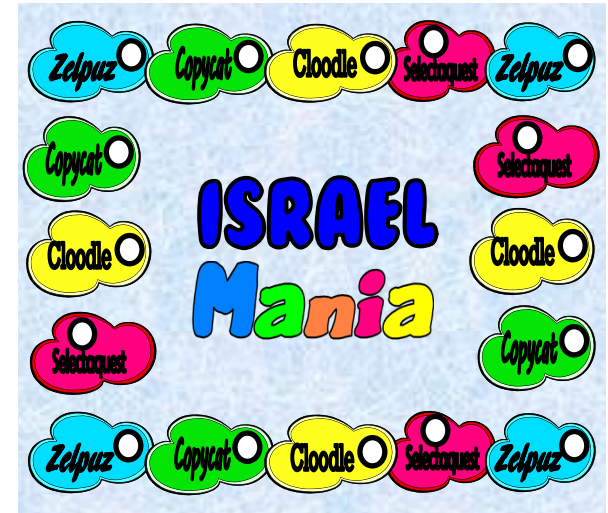

Game board

Mania cards - 4 cards per category. See note on page 4 for printing cards.

Marker/crayon

Directions:

1. Divide into 2 - 4 teams.
2. Place cards face down in 4 piles (red, blue, gold, green).
3. A player from the first team chooses a category.
4. S/He reads the challenge - **selectaquest**, **zelpuz**, **copycat**, **cloodle** - to his/her team. If the team answers correctly, award a point. If it's answered incorrectly, another team has the chance to answer and, if correct, awarded that point. Once that challenge is played, color in the dot on one of the spaces from that category. That space is now out of play.
5. Play continues in this way with a new team picking a category and marking off that space when the question is answered correctly.
6. Play continues until all 16 spaces are covered. Teams total their points to determine the winner.
