

ISRAEL - Create a Windsock

1. Print the windsock images on the next page.
2. Cut out each of the windsocks and decorate.
3. On each windsock, using a hole punch, punch holes on the 3 black dots
4. Attach crepe paper/newspaper streamers (cut strips of paper) to the inside bottom of the windsock using tape.
5. Roll each windsock into a cylinder and staple it closed
6. Attach string or yarn in each hole. Knot the string/yarn at the top.
7. Hang your windsock.
